Federal Election Commission

RE: Andrews for Congress Committee C00243428

Dear Ms. Bacon:

This letter is in response to your letter dated March 20, 2008, regarding additional information needed about our Year End Report (10/1/07-12/21/07) specifically the contributions that appear to exceed the limits set forth in the Act.

There was a data entry error for the contributions made by Mouyiaris, Papanicolaou and Sinnenberg. These three contributors were properly designated at the time the contribution was received by Andrews for Congress and I corrected the reports to reflect that.

The contribution from CWA-Cope was also a data entry error. Their letter dated December 13, 2007, that accompanied the contribution clearly states that the contribution was for the 2008 Primary and General Elections. The FEC report for the CWA-Cope for that cycle also reflects that. I have also corrected this on the report.

The Contribution from Hanger Orthopedic Group Inc, PAC was not excessive to my knowledge. According to their Notification of Multicandidate Status dated November 28, 2007, Hanger Orthopedic Group, Inc. is a multicandidate committee. The copy of that form can be found on the following link,
http://query.nictusa.com/cgi-bin/fecimg/?_27931624274+0.

Finally, the contribution from the Laborers? Political League dated August 3, 2007 in the amount of \$250.00 was not actually from the Laborers? Political League. It was from the Laborers District Council. I must have selected the incorrect name from the database when inputting the contribution. I have corrected the error on the report.

As always, I appreciate your diligence in assisting me with the compliance rules. Please let me know if you require any additional information.

Yours truly,

Maureen A. Doherty
